

Building Product Declaration

Basic Data

Product name: Weland Spiral Staircases, Weland Straight Flight Staircases, Weland Ramps, Weland Railings, Weland Grating.

Type of product: Product

Drawn up: 15.05.2020

Supplier Details

Company name: Weland AB
Malmgatan 34
SE-333 28 Smålandsstenar

Website: weland.se

E-mail: info@weland.se

Tel.: +46 (0)371 344 00

Contact person: Mattias Andersson

Management System

Quality: Certification in accordance with ISO 9001

Environment: Certification in accordance with ISO 14001

Product Information

Country of manufacture: Sweden

Area of application: Indoors/Outdoors

Registrations: The products are registered in BASTA and Byggvarubedömningen

CE marking CE marking and Declaration of Performance available

Contents

Weland Spiral Staircases, Weland Straight Flight Staircases, Weland Ramps, Weland Railings, Weland Grating.

Material	Cas no.	weight percentage	classification	SVHC material
Steel	-	92	-	No
Welding wire	-	0.5	-	No

Railings - Stainless steel	-	100	-	No

Recycled Material

Material	Proportion	weight percentage	classification	SVHC material
Steel	= > 20%	92	-	No
Zinc	0-100%	0.5	-	No

Packaging for Distribution of Product

- Wood, paper, plastic
- System multi-use packaging applied
- Packaging recovered

Building Phase

- The product is subject to no specific storage requirements
- The product does not impose any requirements on surrounding construction products

Use Phase

- The product has no storage requirements
- The product does not impose any requirements on surrounding construction products
- Product has care instructions

Waste Management

- No special measures to protect health and the environment are required during demolition/disassembly
- It is possible to recycle the product in whole or in part
- Waste code, EWC: 170405
- The product is not classified as hazardous waste

Indoor Environment

- The product generates no emissions and does not contain any volatile organic contaminants.
